Hi, Jane,

Thank you for the opportunity to review the Draft TVOP 23-00089 for Marcus Hook Energy/750MW. EPA has reviewed the technical memo and draft permit and has no comments to offer.

If comments are provided during the public comment period, please be sure to send the proposed permit and response to comments for our review. If there are no comments, please forward the final permit when issued.

Please contact us if you have any questions or concerns.

Thank you,

Tom
